## **FOR IMMEDIATE RELEASE**

### ***Computrition Team Member Receives ASHFSA Service Award***

**Chatsworth CA, June 18, 2008**—Computrition, Inc., a subsidiary of Constellation Software Inc. (TSX: CSU) as well as a leading developer of hospitality, food management and patient care automation, is pleased to announce that **Stephanie Lueros**, Director of Marketing for Computrition, was recently honored with the **Special Services Award** at the 2008 American Society for Healthcare Food Service Administrators (ASHFSA) Annual Conference.

This recognition, given by ASHFSA President, William Notte, MBA was granted in acknowledgement and appreciation for her long-term support and service to the society. Lueros has served on the Annual Conference Planning Committee each year since 2006. In addition, she has organized networking meetings - sponsored by Computrition - at the ASHFSA Regional Chapter level, has participated in Industry Advisory Board activities and has worked to inform both industry and associate members of the many benefits garnered through involvement and volunteering for the association.

Lueros states, "Receiving this recognition was a tremendous honor for me both personally and professionally. It came as an absolute surprise, as my involvement in ASHFSA and the other associations I serve is solely a result of my love and passion for and dedication to our Industry. Contributing to this association has gifted me with so much opportunity and access to incredible industry leaders and role models. What I have gained from my involvement is truly a gift and I hope to serve this association for years to come."

Aaron Ganz, Marketing Manager for Computrition, Inc. states, "Computrition is honored that ASHFSA has chosen to recognize Stephanie's many years of hard work and commitment at the 2008 ASHFSA Annual Conference. Her strong belief in organizational involvement extends to the Computrition team members and to the entire Hospitality Industry."

#### **About Computrition**

Computrition, Inc. is a leading provider of fully integrated foodservice and nutrition management software systems in the hospitality and healthcare industries. With customers throughout the USA, Canada, and worldwide, Computrition provides an all-encompassing software system designed to increase efficiency and productivity in the healthcare, hospitality, university, school foodservice, military and corrections industries. Staffed by dietitians, foodservice directors, chefs, business and service professionals and certified technical specialists, Computrition possesses the expertise necessary to deliver the highest quality products and services with a focus on customer satisfaction, employee fulfillment, and profitability. #### **About ASHFSA**

The American Society for Healthcare Food Service Administrators (ASHFSA) is backed by one of the largest and most credible organizations in health care today, the American Hospital Association. For almost 40 years we have been the premier source of professional education and information for food and nutrition service management professionals. Our members represent over 1,000 health care institutions across the country, serving in roles such as directors or administrators responsible for patient food service management, cafeteria/vending/catering management, clinical nutrition services and support services/multi-department or multi-unit management.
